

18.31 Acres of Land for Sale in North Pike School District with pond. Property is part open pasture and part wooded and is complete with fencing and cross fencing. There is a beautiful hilltop homesite among the gently rolling hills overlooking the pond and the property is located in a private country setting back off the main road behind a gated entrance. This property would make a perfect country mini farm and is already fenced for cattle or horses. There is a perimeter road in place and there is a survey of the property already done. Mobile homes are ok with some restrictions. If you are looking for a beautiful land tract in North Pike School District with privacy look no further!! Call today.
