

This meticulously maintained home is located on Oakbrook Circle just a couple blocks south of Delaware Avenue. With 2,669 square feet of living space, this 4 bedroom, 2.5 bath home includes a spacious family room plus a formal living & dining room. The kitchen features abundant custom cabinets, stainless double oven & gas cooktop. The breakfast area offers a great view of the back yard & pool! Just off the family room you will find a really nice Florida room! Also, a large room off the garage leads to the pantry & utility area. Original windows have been replaced with security windows plus top-grade security doors. This energy efficient home has a Rinnai on demand water heater & a mini split HVAC for the Master Bedroom that allows you to customize your sleep environment. The sellers currently utilize the 4th bedroom as a huge walk-in closet & dressing room. However, it can easily be returned to bedroom use. Outside you'll find a fenced back yard, pool & floral paradise. Come see!
