

15.37 acres of beautiful rolling hills pastureland with fencing and a large 3 acre pond. Great fishing property and perfect getaway or recreational property. There is a small wood frame house on the property that is in need of repair. It is sold as is and its value is minimal. The property features a water well, community water, circle driveway and hay barn. This property is located in Lincoln County, MS about halfway between Tylertown, MS and Brookhaven, MS. Great Mini farm location and property is ready for horses or cows with fencing and gates in place.
