

Looking for a large 5BR 4 BA home for sale with 3500 sqft of living space in North Pike School District that is affordable??? Look no further. This spacious family home is situated back off the road on 5 acres of mostly open land and features a 30X50 insulated shop with 2 roll up doors, a 1BR 1BA mother in law suite and a large double carport. The interior of the home features new granite counters in the kitchen with updated appliances, dining room, living room with vaulted ceilings, and a huge family recreational room with fireplace. The home originally had an in ground pool but has been filled in. The space could easily be made back into a pool and the concrete and patio area is still there. There is a greenhouse that was converted to a aviary for birds. The roof is only about a year old and the AC unit was replaces approx. 4 years ago. The master suite features 3 closets, double sinks, a jacuzzi tub and floor to ceiling built in cabinets. Property is shown by appointment.
