

2018 3 Bed, 2 Bath mobile home on 4.49 acres of land located on a quiet dead end street in rural Pike County, MS. The property is mostly wooded with nice hardwood trees, a pond and rolling hills. The home is very well kept and is like new inside and out. It features a large living room with open kitchen, wood laminate floors and a spacious master suite. Outside you will find a big front deck, double carport, 2 nice storage buildings and an additional septic tank and camper hookup with power, water and its own sewer. This property is located in the country and there are no deed restrictions in place. There is plenty of room to put a second mobile home if needed. Call for an appointment to view.
