

This is a good Poultry breeder farm to get started in the farming business. Priced to get a new farmer started. The 2 house breeder/egg farm is located in Prentiss, MS and has a contract with a national leading company. The farm has 24 acres with 2 poultry houses that are 40' x 410' with Pak feeders, Acme fans, 80 KW Generator, well and 40' x 40' Compost shed. The farm does have an active contract and will need upgrades to farm. The farm does have pastureland that is fenced and has cows on it. This gives you a good second income. Call to get details. Please call to make appointment and for more information.
