

This property has numerous possibilities for your business venture. The spacious main building has 11 offices, 2 bathrooms, a kitchen and a large storage room. Additionally, there are 2 other buildings (need work) on the 1.5 acre parcel. Located on a major North - South highway, this property will have lots of visibility. This area is near the Homochitto National Forest and Lake Okhissa. It could be turned into a deer hunter's lodge or fisherman's camp!!

210 Hwy 33 N, Crosby
