Welcome to your country homesite approximately 20 minutes from Oxford in Calhoun County, MS! This 50± acres is currently a blank slate and ready for you to make it your own (plant trees, clear for pasture, build a lake, or let it grow naturally). The topography is suitable for high views and bottomland hunting. The utility providers in this area include Mt Comfort Water Association (in the works) and Pontotoc EPA for electricity. There were abundant deer, and turkey tracks noted on the initial inspection so you won't have to go far to hunt. The access is easy being just a mile or so off of Highway 9 on the south side of County Road 283 in Calhoun County, MS. With a little work you can easily turn this into a beautiful country homeplace. Light restrictions are in place (1,800 SF minimum, no manufactured or mobile homes, no subdividing). If you have been looking for an affordable place to build just 20 minutes from Oxford, MS, come take a look at the Calhoun 50 today! Call Michael Oswalt for your private showing today!
