

80+/- Homesite and Recreational Property Webster County, MS

80+/- Acres

Hwy 82

\$215,000

Welcome to the Webster 80! This 80+/- acre property has been a family hunting destination until recent years and, for the last few years has been undisturbed. This means that you can come in and develop everything just like you like it (reclaim the plots, make new plots, & enhance the interior road system). With the property having extensive road frontage on Hwy 82, where you will find an established drive and old homesite. The old family homesite has established utilities and is ready for whatever suits the new owner best if they wish to build a hunting camp, or home. The utility providers include Sapa Water Association, and Natchez Trace Power Company. Much of the property consists of naturally regenerated timber and approximately five acres of planted pines located in the Northwest portion of the property. You will also notice a "slough" in the middle of the property that could be used potentially for duck hunting or could be converted into a lake or pond in the future. Another added feature of this property is that it is located one mile North of the Big Black River, making the potential of wildlife opportunities abundant. To schedule your private showing, call Harper Day!

Directions from intersection of Hwy 82 and Hwy 15 in Mathiston, MS: Travel West on Hwy 82 for 4.0 miles. The property will be on your right.
