Country Home With Acreage 63.5± Acres in Landerdale County, MS

\$695,000

This must-see, secluded property in Lauderdale County, MS, features a 3,100 sq. ft. custom-built four bedroom, three bath home on 63.5 +/- acres. As you arrive at the property, you will drive through a beautiful iron and brick gate and continue up the asphalt driveway to have a fantastic view of the front of the house. Once you enter the home from the front porch, the living room will be on your left, with plenty of room for everyone to enjoy and a beautiful brick fireplace. There is an additional large family room with a gas log fireplace. There are two bedrooms, one bath upstairs, and a small balcony overlooking the front yard. The primary bedroom is located downstairs, along with the other spare bedroom and the kitchen and dining room in the central part of the home. Outside the house is a spacious shop to store anything you need, a workshop on the side, and an equipment shed up the hill. The property's road system will take you on a complete tour of this place's prime pine and hardwood timber mix. There is a small food plot in the central portion of this property with a large shooting house in place; deer and turkey are in abundance and will provide many memories for years to come. Pre-approval or proof of funds is required for viewing. Give us a call today to schedule your private showing!
