AGRICULTURAL DISCLOSURE:

7.

	(a) Is the Property within, partially within, or adjacent to any property zoned or identified on an approved county land use plan as agricultural or forestry use?									
		*	abla							
It is the policy of this state and this community to conserve, protect, and encourage the development and improvement of far and forest land for the production of food, fiber, and other products, and also for its natural and environmental value. This notic is to inform prospective property owners or other persons or entities leasing or acquiring an interest in real property that proper in which they are about to acquire an interest lies within, partially within, or adjacent to an area zoned, used, or identified for far and forest activities and that farm and forest activities occur in the area. Such farm and forest activities may include intensive operations that cause discomfort and inconveniences that involve, but are not limited to, noises, odors, fumes, dust, smok insects, operations of machinery during any 24 hour period, storage and disposal of manure, and the application by spraying otherwise of chemical fertilizers, soil amendments, herbicides, and pesticides. One or more of these inconveniences may occur as the result of farm or forest activities which are in conformance with existing laws and regulations and accepted customs are standards.										
available and functional at the property line.) C	8. UTILITIES:  Seller warrants that the following utilities serve Property.
