

Don't miss out on this rare opportunity to own a turnkey poultry pullet farm with four houses on 42 acres in Prentiss, MS. This farm has a long-term contract with a major US poultry company, this investment promises a steady income based on square footage. The well-equipped poultry houses, complemented by modern amenities, come with essential features like a compost shed, generator, and water wells. The farm has natural gas which gives you the advantage of fuel cost savings. The luxurious 5-bedroom, 3.5-bath residence, tastefully decorated and spanning 2100 sq ft, is perfect for a large family. The property also includes a workshop and office space, adding versatility. Enjoy 42 acres of scenic land with two ponds for hunting and fishing, and benefit from the included tractor equipment. Act now – call for details or to schedule a viewing of this enticing farm.
