Welcome to your new recreational retreat! This 302± surveyed acre paradise is located in the heart of Calhoun County, MS. A 40x60± sq. ft. shop awaits your equipment to keep it dry and out of the elements. A camper hook-up has also been installed behind the home for when extra family comes to town. A well-maintained internal trail system makes navigating the property a breeze, and Meridian Creek runs through the property, providing a year-round water supply for the local wildlife. The timber investment on this property is phenomenal. There are roughly 180± acres of 35± year old pines, a 40± block with mature hardwoods, and the remaining acreage being 25± year old pine timber. The sawtooth oaks were meticulously planted around each food plot and through the property for an ample food source for your deer herd.
