Beautiful Lake home for sale in Lake Concordia. This 3 bed/3 bath home sits just off of the blue hole which is known to be one of the best areas to fish in Lake Concordia. This property checks so many boxes and has so many characteristics making it such a great deal. The property features a 750+- Sq Ft RV parking garage that can be used for so many different things for the new owners. Also featured is a standby full home generator, water filtration system, private boat launch, and a newly renovated deck/pier that has a boat house and slip. Recent renovations also include a brand-new shower in bedroom #2, new dwelling roof, and the complete exterior painting of the structures. Sitting off the main highway and across the street from a field, this property offers seclusion and peace that other homes can't offer. There is so much to like about this property and whether it's a permanent residence or vacation home this one is sure to serve you well. Photos by Andrew Gore Photography.
