Description

Charming 4-Bedroom Home on a Corner Lot – \$109,500 Welcome to this inviting 4-bedroom, 2-bath, two-story home nestled on a spacious corner lot adorned with beautiful shade trees. With approximately 2,049 square feet of living space, this home offers plenty of room for comfortable living and entertaining. Step inside to find a large den perfect for family gatherings, a spacious kitchen ready for home-cooked meals, and a lovely front porch ideal for relaxing outdoors. The home also features central air and heat for year-round comfort, and has been recently refreshed with newer paint throughout. Whether you're a growing family or simply looking for more space at a great value, this well-maintained property is a must-see. Don't miss out – schedule your showing today!
