STATES REALTY**

125 Acres in Amite County, MS. This tract has over 1.5 miles of continuous border with the Homochitto National Forest. The tract has 70 acres recently harvested, ready for reforestation and the remaining 55 acres is mature pine and hardwood timber. There is a good road system and food plots established. There is electricity on the tract and many places for a camp with access to the Homochitto National Forest. This tract will feel like hunting 1000s of acres.
