We have reviewed your complete application dated 2/26/07 for a Department of the Army (DA) Permit. The work listed below is approved subject to all submitted plans and attached conditions.

The following activities are approved under authority of **REGIONAL PERMIT (RP) 03-RP-10 Dock Structures** which became effective April 17, 2003 and will expire April 17, 2008. If the work has not been completed by that time, you should contact this office to obtain verification that this permit is still valid.

Floating 8' x 16' Dock with 4' x 20' walkway; associated deflector/anchor stabilizer

It is your responsibility to obtain any other federal, state, and/or local permits required for the work. You must also contact The Tennessee Valley Authority (TVA) to obtain approval. This permit is not valid unless you also receive approval from TVA.

Remarks: You must allow representatives from this office to inspect the authorized activity at any time deemed necessary to ensure that it is being or has been accomplished in accordance with the terms and conditions of your permit. If changes in the location or plans of the work are necessary, revised plans should be submitted promptly to this office. No deviation should be made in the approved plans without first obtaining approval from this office.

Special Conditions: You are required to sign and submit the enclosed certification to the address indicated upon completion of the activity and required mitigation (if applicable).

We appreciate your awareness of our regulatory program. If you have any questions, you may contact me at the above address, telephone (615) 369-7518, or email at deborah.s.tuck@usace.army.mil.
