

2,427 sq ft office building for sale in McComb, MS, on Delaware Avenue. This property has 10 interior offices and could easily be used as office space and investment property. It features 2.5 baths and several entrances. There is also plenty of off-street parking on the side and behind the building. The property was previously used as a medical clinic and has beautiful heart pine floors in some of the rooms. Two back rooms have sound barriers and was used as a radio station years ago. Call us today!!! Priced to sell at \$79,500.
