

This is a great opportunity to buy a turnkey poultry farm operation in Southwest Mississippi. The farm is located just east of McComb, MS on 28 acres in the scenic Holmesville community. The farm has 6 broiler houses that are 40' x 420' with modern equipment. The houses are half solid wall and half curtain which gives great ventilation. The farm has 5 wells, 3 generators, HireHand controllers and Cumberland Feeders. The farm is a great income producing farm that grows a big bird and has a long-term contract with one of the largest poultry companies in US. The farm comes with a very nice 28,02 sq ft, 4 bedroom, 3 bath house that is perfect for a large family. The property is fenced and crossed fenced for livestock. This farm is ideally located just minutes from the processing plant and feed mill. Please call to make appointment to see property.
