Timberland and Recreation Land for sale in Scott County, MS. Hunting Land for sale in Scott County, Mississippi. Excellent timber and hunting investment in Central Mississippi. The timber is a good mix of hardwood and pine with different age classes from young to very mature. Timber can be sold for immediate return. It is ready for someone to design for their own personal hunting property. Scott County is historically known for producing large antlered deer and this tract is covered with deer sign. Also, turkeys were seen while inspecting property. The land also joins a National Forest property on the SW side. This is a must see for anyone looking for a beautiful recreation property. The land is 3 hours from New Orleans and less than 1 hour from Jackson and Meridian.
