Can you say game refuge? You have just found one of the finest properties for deer and duck in the Mississippi Delta! This 300± acre Tallahatchie County tract features established food plots with shooting houses and is surrounded by 20+ year old WRP producing tons of acorns for the game. The property itself is surrounded by thousands of acres of row crop ground, so it is the primary bedding area and habitat for miles. The duck impoundment is levered and has structure with gate, providing outstanding duck hunting. The road system is superb and serves as additional food plots. The shooting houses will test your long range shooting ability. I have seen many outstanding hunting tracts in my days, but this one is something special! If you are looking for additional land, a 200± acre parcel is to the south and can be purchased along with the cabin/lodge that is located ½ mile down the road. Drop what you are doing and call Tom to schedule your viewing of this jewel in the Mississippi Delta!
