

Back on the market, reduced and ready to move in, this gorgeous, renovated French Provincial home for sale is in an upscale neighborhood close to town! Pristine home for sale in Pike County, MS has professionally restructured landscaping, remodeled master bath and kitchen areas and the list goes on! Multiple spacious rooms welcome you with instant pool views and draw you into comfort and luxury. This home has an astounding amount of storage and closet space, with walls of closets and built-in drawers, winter storage walk in closets and additional floored storage over the garage with stair access. The large, covered porch with multiple skylights beckons you to the cypress fenced backyard pool retreat! Open air pool cabana boasts outdoor kitchen with sink and even a half bath! Snuggled into a wonderful "walking neighborhood" - it's like living in a park! This corner lot property has 3.5 acres for you to enjoy and 4 garages to park all your toys-even a boat or RV! 1.5 hours from NOLA
