

Large home with lake views for sale in Edgewood Park neighborhood! This modern home for sale in the city of McComb has been completely renovated and has a beautiful contemporary feel with special touches like a custom built shiplap wall, butcher block counters in the kitchen, custom bookcases and lots of natural light. Hand scraped wooden floors are original and gorgeous! Three driveways and ample parking for a large family or lots of guests. Located on a quiet street in Edgewood Park, this renovated home for sale is just across the street from beautiful Lake Bevin, and just down the street from the park. Walking, bike riding and park facilities are waiting for you! The light, open feel of this home draws you in. Downstairs has the master bedroom with den/game room/additional bedroom (making it 5 bedrooms), and leads you to the Florida room which overlooks an expansive back patio. Ideal for a getaway or a great place to raise a family, this home is move in ready for you!
