## SOUTHERN STATES REALTY

**MUST SEE!!** This beautiful log cabin sits on 130+/- acres of mature hardwood/pine timber! The cabin, built in 2012, is 3 bedroom, 4 bath and has to be seen to truly appreciate the quality and workmanship. It's 1,770 sq ft with 2 levels and a new A/C and duct work. The upstairs is a loft bedroom with full bath. There is a wraparound porch, hot tub and a separate kitchen for outdoor use. The appliances are stainless steel, hardwood and tile floors and granite countertops. The outdoor views are amazing with blueberry bushes and fruit trees. The 130+/- acres has frontage on Bear Skull Creek and is loaded with timber, deer and turkeys. The interior roads, food plots, shooting houses and feeders make this a truly turnkey property. There is also an RV covered shed with 30 and 50 amp hook ups. There is a storage room in the RV shed and a covered porch area. This cabin and acreage are a **MUST SEE!**
